2016-2017 Season

Parents of Fowler Athletes:

Once again this school year/season all Fowler Athletes will be required to "Pay to Participate" in order to offset various expenses that are undertaken by the athletic programs. The basis of the policy is that each student/athlete and their families must pay the following fees:

\$60/sport or \$120/student if a student participates in two or more sports.

\$300/family if multiple children participate in Fowler athletics, 6th grade cross country & track, and 7th – 12th grade athletics.

\$30 per athlete for 3rd – 6th grade basketball (this fee is NOT included in the family cap and is separate from the 6th grade cross country & track, and 7th – 12th grade athletics.

Student-athletes qualifying for free/reduced lunch can have this charge waived by marking the box on the free/reduced lunch form. Any student, who through financial difficulty can't pay, should contact Athletic Director, Kris Ernst, and an agreement will be worked out.

Payment for all athletes is due before the first contest. Players may return the payment and this form to the high school office. Please make checks payable to: **Fowler High School.**

No refunds will be rewarded after the first contest date. Refunds will only be rewarded on an individual basis if a student/athlete decides they don't want to participate in a specific sport prior to the first sanctioned contest. Injury or athletic policy violations will not result in a refund of pay to participate fees.

The payment of this participation fee DOES NOT influence the amount of playing time a student/athlete will receive. Playing time is under the discretion of the head coach.

Please indicate below the name(s) of your child/children and the sports in which they participate.
