Instructions for SafeSchools.com Online Safety Training

Hello Staff!

We're pleased to offer our required annual safety training online. With SafeSchools, you are able to complete your training on the internet at your convenience – even from the comfort of your own home! Group Training is also available.

How to log on to the online training program

1. Using your web browser, go to the web page <http://fps.mi.safeschools.com>. (No “www” is necessary.)
2. To access your assigned training, enter your username, which follows the following format: ilast
Example: **John School** would be **jschool**
3. Your assigned course or courses will be listed on your personal SafeSchools home page under “Mandatory Training”.
4. Select any course by simply clicking on the name of the course. The courses have audio so turn up your speakers if you wish to hear the narration. Complete all the training scenarios and the assessment to receive completion credit for the courses. You will have the option to print out a Certification of Completion once you complete the course.

If you have any questions or problems with the site, please contact:
